## Hello all

Wayne and I hope that everyone is well and keeping their spirits up? We have been hearing some wonderful stories about our local Londis shop and how they are keeping us fed & supporting our most vulnerable residents. Here are just a few things the villagers have to say about them...

"I think it would be rather nice to give our local Londis shop a special mention for going that extra mile with its regular customers. They have been absolutely wonderful in calling customer's, letting us know when bread etc is in stock."

"I'm certain that I speak with the support from the residents of our village, thank you so very much, your dedication to ensure that we as a community are not only able to purchase our necessities, we are able to do so safely. Well done "

"They are true champions "

"What a great job you're doing. Such a hard working asset to the village. Thank you so much. "

Let's make sure we clap next Thursday at 8pm, & give an extra clap for Mukesh, Umang, Hrishi and Hannah, as well as the paper girls & boys.

Stay at Home and Stay Safe, from Maddie and Wayne

## Newsletter Distribution Changes

In-line with government requirements to Stay-at-Home, we are encouraging all residents to access our newsletter electronically. We now have an email list that we are using to send the newsletter, alternatively you can access the newsletter on our Cogenhoe Village Chatter Facebook Page or via the Parish Council Website.

This will be the last week that we deliver paper-copies of our newsletter (although we will leave some available at the Premier shop and Village Hall). However, if you cannot access the internet, please leave a copy of this newsletter in your window and our Village Champions will continue to deliver you a paper copy so that you can stay connected to village-life.

## Village Hopper Bus Service

Our ever-proactive Parish Council have again been 'on the ball' in obtaining an emergency grant from the Local Authority that will enable our Village Hopper Bus to continue operating during this difficult time. Despite offering a much-reduced service (using the Saturday time-table) the bus is now funded until at least the end of April. We appreciate how important it is for some of our residents that the bus service continue. The timetable can be viewed here <https://bit.ly/33HXbKE>

## Free Easter Competition for All Ages!

On the back of this newsletter you will find an Easter colouring-sheet. Please decorate and display in your window to see if you will be one of the lucky winners to receive one of our Easter Egg prizes!

## Easter Gifts for sale

As part of my fundraising for the charity *Operation Smile UK*, I have a small range of hand-made & knitted Easter gifts for sale. Prices start at £1.50 and I can deliver these to your home. ## Exercises for When Staying at Home

Dan Barrett is a Cogenhoe Resident and a chartered Physiotherapist. He is the director of The Ashby Clinic in Earls Barton and has kindly put together a helpful exercise guide, showing what we can do at home to keep our bodies moving. As there wasn't room for his handy guide in this week's newsletter we shall add it next week, but in the meantime it can be viewed on our Facebook Page or on Dan's website <https://www.ashbyclinic.co.uk/wp-content/uploads/2020/03/C-19-exercises.pdf>
